

STURGEON VALLEY BAPTIST CHURCH

Studies for Ladies Morning Out—January 12, 2012

1. Escape the Coming Night

By Dr. David Jeremiah

Leader: Cyndi-Lou Hyde

"Blessed is the one who reads the words of this prophecy & blessed are those who hear it & take to heart what is written in, because the time is near" Rev 1:3

Come & be blessed by this 4 part series on Revelation using the study guide by David Jeremiah & additional insights from Adrian Rodgers. The first semester will focus on Rev chapters 1 to 3:22 and will discuss the revelation of Jesus Christ to John and Christ's messages to the seven churches and how this relates to the church in the 21st century.

2. Transformations

By Dr. Charles Price

Leader: Marlis Lemke

"The miracles that Jesus performed were unique and wonderful expressions of His love and power. But they weren't just to get people out of a fix. Every event in Jesus' life was a sign - a sign pointing to the Transforming power to be found in Jesus Christ - "I have come that you might have life (John 10), and have it more abundantly!"

3. The Sacred Echo

By Margaret Feinberg

Leader: Nancy Moore

In this study on prayer we will look at the quiet but profound ways that God speaks to us. Through Scripture and DVD we will look at how God echoes His voice to us in unexpected ways, so that we can walk more confidently and fully into all He has for us.

4. Twisting The Truth

By: Andy Stanley

Leader: Alana James

"The most dangerous lies are the ones you never notice. Common but deadly deceptions impact you every day. They can twist your thinking in ways you'd never expect and leave you with a life you never imagined. Your ability to recognize them can spell the difference between happiness and the loss of all you hold dear. Andy Stanley exposes some common ways God's truth gets twisted. Each one has the potential to destroy your relationships, cloud your decisions, and distort your perception of Him. This study will help us discover the ways the truth gets twisted in our lives and culture and, more importantly, how we can recognize and overcome them."
