Why had most Israelites rejected Christ?

- Israel pursued righteousness not by _____ but as if it was based on _____ (9:31-32).
- Righteousness and ultimately salvation is not obtained by works but by _____ (10:6).
- We see this when a person confesses by mouth that _____ is _____ and believes in their heart the God _____ Jesus from the _____ God will save them (10:9-10).
- In fact, everyone who _____ on the name of the Lord will be saved (10:13).

But how will they get this news?

- God _____ us to bring His _____ _____ to the _____ (10:14-15).
- Then, it is up to the _____ person and the _____ _____ for their response.

So—we need to turn to the Lord for _____, _____ and compassionate _____ to obey this call.
