CHILDREN'S MINISTRY 2022-2023

SVBC KIDS

A NOTE FROM OUR CHILDREN'S DIRECTOR

In getting to know our families here at SVBC, I am encouraged to hear of parents' deep desire for children to be challenged in their spiritual growth through our Children's Ministry programming to complement their home discipleship efforts. Whether you are new to the faith, new to discipling your children, or a seasoned veteran, we want to journey alongside of you.

For the 2022-2023 ministry year, **foundational Bible literacy** and **understanding of spiritual truths** will be our primary focus. You'll see these themes echoed in each of our programs at every age-group. Ultimately, we want children to:

1. Have their own Bible and treasure it as God's living Word.
2. To know God's Word through age-appropriate skill-building
3. To do God's Word by learning how to apply it to their lives.

Thanks for joining us here at SVBC. As always, I encourage you to reach out for more information at any time.

I look forward to a great year!
